1 STEVE BANNON: I want to go back to Mike Lindell. So  
2 Mike, I just want to put in perspective for our audience. You  
3 made this film, Absolute Proof, it came out in February and it  
4 caused a huge, you know, huge blow up. The media, who was all  
5 excited about every one of your moves, every one of your  
6 steps--total crickets, right? All of a sudden, you stop seeing  
7 any articles about this, you and Dominion finally got into  
8 this legal situation, right? Where they've sued you. You've  
9 now come out and instead of either backing down or working out  
10 some deal with Dominion, or working at some compromise, or  
11 saying you're sorry, you've now tripled down. You've made  
12 another film called Absolute Interference. For our audience,  
13 when will you, are you going to--when are you going to release  
14 this next movie, Absolute Interference?

15 MIKE LINDELL: Well, the one, the one part--the one  
16 guest was so good that I made an hour short just about him,  
17 we're gonna release that later in the week, you can see that  
18 on Lindell TV dot com. Then, and then the following week,  
19 we'll release out Absolute Interference and that could--so it  
20 could be later in the week, we haven't set the exact date on  
21 that yet. I kind of want to line that up with my launch of my  
22 new social media platform, which will be Frank. But this,  
23 this, when you watch this, and all of you have seen Absolute  
24 Proof, you know, we're just going to keep dropping more and

1 more. It's going to be to the point that the only announcement  
2 I'll be able to make is, "hey, if you work for Dominion, and  
3 you are part of this crime against humanity, turn yourself in,  
4 save yourself some jail time." That's all I can say, I mean, I  
5 don't know what else to say to these people.

6 STEVE BANNON: Just to make sure we're as specific as  
7 possible, in this film, Absolute Interference, are you saying  
8 you have whistleblowers that are actually employees or  
9 contractors from Dominion, that are going to be on screen--

10 MIKE LINDELL: Yes.

11 STEVE BANNON: --giving evidence, giving evidence  
12 that would support your contentions in this lawsuit with  
13 Dominion? These are Dominion employees or Dominion  
14 contractors?

15 MIKE LINDELL: Now these, these are whistleblowers,  
16 and I can't say if they work for Dominion or not, but we have  
17 them in disguise. They're very--they run, they have to run  
18 around with bodyguards and protection. One of them has been  
19 threatened many times, and then he had to go undercover  
20 because they knew he had too much information. The other guy  
21 was, like I told you, he actually uncovered that the internet  
22 in Georgia with this cell phone thing that they did in the  
23 Georgia runoff so, but that's just a couple. When we talk  
24 about this film, Steve, we have people coming out there,

1 they're coming to me. We have--in a day, we probably get one  
2 hundred emails, or one hundred people reaching out going,  
3 "hey, I've got this information, I've got this information."  
4 And, as you see, it's coming up all over the place. You've got  
5 Wisconsin now that they're gonna look at, Maricopa  
6 County, Arizona, and Georgia, and New Hampshire. I mean, you  
7 can--the truth will be told, I've been telling everybody that  
8 all along--that truth is here, it's going to all be told,  
9 there's only one truth. And when that comes out--and what  
10 we're doing, just so everybody knows, the plan with the new  
11 platform, Frank, and everybody out there, we're going to push  
12 out these videos, but not just that, we're going to dump  
13 evidence every day for six weeks. Just about make WikiLeaks  
14 look like a tinker toy, we're just going to keep dumping,  
15 dumping, dumping, so that everyone in the country and the  
16 world, even if you're a Democrat or Republican, you should be  
17 very concerned when you see all this. That this was an attack  
18 by China, by foreign interference, and the Communism and  
19 Socialism coming into our country. Now when this gets to the  
20 Supreme Court, I've said it before, they're gonna look at it  
21 and they're gonna say, wow. They won't even have to look at--

22 STEVE BANNON: Hang on, slow down, slow down. Let's,  
23 I just want to make sure--when you say you're getting hundreds  
24 of emails, and they're whistleblowers, and I'm not looking to

1 expose anybody, but are these whistleblowers of the one  
2 hundred emails, you're getting a day? Are they the guys in the  
3 film? Are they whistleblowers from some organization? Are they  
4 calling themselves whistleblowers? Or are they employees,  
5 former employees, or contractors with Dominion or any of the  
6 voting system companies?

7 MIKE LINDELL: I will say this, yes to both. There  
8 are some, and I will not say if there was any in the film that  
9 were. They're, you know, yeah, we're gonna have everything, we  
10 have everything. By the time, you know, and this, Steve,  
11 realize this is all my stuff that we want to bring before the  
12 Supreme Court, you know, the attack on our country, by the  
13 time Dominion--

14 STEVE BANNON: But how are you gonna--hang on, hang  
15 on a second. I know, but hang on a second, what's your--how do  
16 you anticipate--the Supreme Court has adamantly ruled they  
17 don't want to be involved in any of this. That they have said,  
18 "it is not our deal, it doesn't rise to the evidentiary  
19 level," or however they said it. They don't want to do this,  
20 they didn't want to do it in the height of it. What is it that  
21 you have that's different than what people have seen, that's  
22 going to give you any standing in a Court to even get into the  
23 Court--Federal Court System much less get to the Supreme  
24 Court?

1 MIKE LINDELL: Well, what we have is what I've had  
2 all along since from January ninth on. Remember, nobody had  
3 this; Sidney Powell, Rudy, none of these guys had this. None  
4 of this evidence was presented to any Court anywhere and and  
5 this so, this is all--this is the attack from foreign  
6 interference and it's, you know, every--this is using the  
7 machines. You know, everything they were bringing up before,  
8 you know, they were going, it was all there was a, you know,  
9 dead people voting and non-residents voting. I mean, he  
10 should, Donald Trump should have been put back in just for  
11 that alone. All these non-residents support all the cheating,  
12 I call that organic cheating, what I'm calling here is what  
13 they--what foreign countries, like China, came in and attacked  
14 our country using these machines; Dominion, Smartmatic, ESNF,  
15 all these machines. I want to ask everybody something here,  
16 you know, you say, "well, and the Supreme Court didn't look."  
17 They've never seen this before, so they can't turn down  
18 something they've never seen. This is the evidence, this is  
19 the smoking gun evidence. But I want to, I want to ask  
20 everybody out there this, you know, ask yourself if My  
21 Pillow--if everybody out there said there were rocks and  
22 knives in My Pillows, you know what I would do? Being, maybe,  
23 a smart business owner is dispense it. Hey, guys, everybody  
24 come and look, there's no knives or rocks, hello? Okay

1 instead, Dominion, when they have been asked to look at these  
2 machines, the first case was January--or November night that's  
3 the first person they sued. One of their employees sued, one  
4 of their officers sued a person in Colorado. And, from that  
5 point on--

6 STEVE BANNON: Yeah, the guy in Colorado, yup.

7 MIKE LINDELL: --There's over two hundred threats and  
8 lawsuits from Dominion, Smartmatic, and the other machine  
9 people. Now, why wouldn't they have just made it easier on  
10 themselves and say, "hey, guys, look inside our machines, we  
11 have nothing to hide?" I mean, this isn't even--Mike, a five  
12 year old could figure out they're hiding something, but here  
13 we have everything they're hiding, so what they do, Steve is  
14 this. Well, on February fifth, all the mainstream media,  
15 nobody said it was bad evidence. They just didn't, they just  
16 didn't show it.

17 STEVE BANNON: Okay.

18 MIKE LINDELL: You know, you still have your  
19 YouTube's going--

20 STEVE BANNON: Yep.

21 MIKE LINDELL: --and Google

22 STEVE BANNON: Yep.

23 MIKE LINDELL: --and all these places, Mark  
24 Zuckerberg's putting up signs saying, "contains nudity or

1 profanity." They just can't hide, you can't hide it anymore.

2 STEVE BANNON: Okay, hang on, hang on for a second.
